## OUR IMPACT

---

Every dollar invested in SCMEF supports Construction Management students at Sacramento State through scholarships, competition opportunities, industry partnerships, and hands-on learning experiences.

# 2024-2025 YEAR IN REVIEW

Celebrating the milestones, partnerships, and achievements that shaped the 2024–2025 fiscal year.

## JULY 2024

### ACCE Reaccreditation

The **ACCE Board of Trustees** re-accredited the **Sacramento State's Construction Management program** through 2032, recognizing its continued excellence.

## AUGUST 2024

### Teichert Check Presentation

The **Teichert Foundation** continued its long-standing investment in student success with another generous contribution to the CM Dept. on behalf of the **Beavers Charitable Trust**.

## OCTOBER 2024

### ASC Region 3 Student Competition

Our **Concrete Solutions** team took home 3<sup>rd</sup> place at the **ASC Region 3 Student Competition** in Chicago- continuing the legacy since 2019.

## OCTOBER 2024

### First SCMEF DAY

**SCMEF** board members sat in CM classes and met with faculty to discuss initiatives and build even stronger collaboration.

# STUDENT COMPETITION SUCCESS

---

## ASC 6&7 Student Competition - February 2025

More than 1,800 students from across the United States competed at the 2025 ASC 6&7 Student Competition. Sacramento State once again demonstrated the strength of its Construction Management program, earning three podium finishes across multiple competition categories.

## BEHIND EVERY PODIUM FINISH

Student success is made possible through the dedication of our volunteer coaches, alumni, sponsors, and industry partners. Thank you for investing your time, expertise, and financial support in preparing the next generation of construction professionals.

# INDUSTRY ENGAGEMENT

## Evening with Industry - March 2025

### FEATURED PROJECT

SCMEF members, Construction Management faculty, and students toured Rudolph & Sletten's UC Davis Health Folsom Medical Care Clinic, a three-story, 114,000-square-foot outpatient facility.

Participants gained firsthand insight into the planning, coordination, and construction of this complex healthcare project.

Experiential learning opportunities like this connect students with industry leaders while bringing classroom learning to life on active construction projects.

# THANK YOU FOR YOUR SUPPORT

To our donors, sponsors, board members, faculty, staff, and industry partners - thank you. Your generosity, leadership, and collaboration drive our mission to transform lives through construction education. Together, we are creating opportunities for students, strengthening Sacramento State's Construction Management program, and investing in the future of our industry. Thank you for making this work possible.
